Breth Promoted to Vice President of Estimating at Murphy Company Mechanical Contractors

ST. LOUIS - **Bob Breth** has been promoted to Vice President of Estimating at Murphy Company. The firm is the St. Louis area's largest mechanical contractor and one of the largest privately owned mechanical specialty contracting firms in the nation.

Bob first joined the Murphy Company team in 1974. He has served in many roles throughout the organization to include Heavy Industrial, Operations, and has been our Director of estimating since 2003.

“We look forward that Bob’s group leadership and broad range of experience with his desire for excellence will continue to assist the organization in providing the most accurate and current estimating processes and procedures, while cultivating enduring relationships with our customers, vendors, and subcontractors,” said Patrick Murphy, Jr., President at Murphy Company.

Murphy Company recently celebrated its 100th anniversary, with fiscal year 2008 revenues exceeding \$232 million. The company, which has performed work in over 36 states, was named 2004 Commercial Contractor of the Year by Contracting Business magazine. Murphy performs mechanical contracting services for industrial, commercial, municipal and institutional clients. With offices in St. Louis and Denver, CO., the firm employs approximately 600 people in St. Louis and more than 1,000 company-wide. Among its employees are union craft workers primarily from the AFL-CIO pipefitter, boilermaker, plumber and sheet metal trade unions.

Editor’s note: Bob Breth is a resident of O’Fallon, MO (63368)

Murphy Company has offices located at 1233 North Price Road in Olivette (St. Louis), MO (63132) and 3790 Wheeling St. in Denver, CO (80239)
